Creation and installation of a mosaic, a 20m² marble mosaic floor based on an original Roman Mosaic design, located in the Triclinium dining room of Villa Ventorum for The Newt Estate, Castle Carry, Somerset.

07. Kensington Park Garden, Notting Hill, London

08. Lucarelli restaurant logo, Fifth floor of Harvey Nichols, Knightsbridge, London

Giulia Manzoni Mosaics is a studio that offers high-quality bespoke mosaics for residential, artistic and architectural commissions.

The studio specializes in bespoke mosaics for floors and walls using a wide range of materials, from fine Italian marbles to traditional English tiles.

We are able to provide a full design service for your mosaic ideas; we work on submitted design or work together with your designer and architect to achieve the desired outcome.

We also provide full installation service.
